

LIGHT UP LEE PARK

Pyrotex

Presents

"Light Up Lee Park!"

One of the country's leading pyrotechnic display companies will light up the night sky over Lee Park, and the Lee Park Conservancy will light up dozens of trees throughout the Park to start the Holiday Season with a bang and some bling!

Thursday, December 1, 2011

7:00 p.m.

We are grateful for the support of Pyrotex. To find out more about their awe inspiring displays click [HERE](#).

There will be no outdoor festival associated with the event as a private party is being held in Arlington Hall. A portion of the front veranda and surrounding area will be cordoned off for the benefit of our private guests. No parking will be available in the parking court or nearby streets. There will be ample space on the front lawn for the public to view the fireworks display.

The Lee Park & Arlington Hall Conservancy
